## Coating and Laminating Machinery

### NORDMECCANICA NEWS:

Drupa 2012, one of the largest trade shows in the industry of graphic and converting machinery, is confirmed as a great success for Nordmeccanica. Nordmeccanica growth is substantiated by the need to increase production space in China. The new facility has a dimension in excess of 5000 m<sup>2</sup> for a Grand Opening in September 2012.
